Bureau Veritas Certification

## HERAMBIENTE SPA

Via Carlo Berti Pichat, 2/4 - 40127 BOLOGNA (BO) - Italy

Certified sites are listed in the attachment to this certificate

*Bureau Veritas Certification Holding SAS - Italy Branch certifies that the Management System of the above organisation has been audited and found to be in accordance with the requirements of the management system standards detailed below*

### ISO 14001:2015

#### Scope of certification

Management of plants for the disposal, treatment, selection and recovery of hazardous and non-hazardous waste with also the production of energy through the activities of thermal destruction and combustion of biogas from landfills and digesters. Biomethane production through anaerobic digestion of forsu and upgrading of biogas to methane. Management of waste-to-energy plants and landfills in operation and post-operation. Treatment of industrial water and liquid waste with chemical-physical and biological treatments. Thermal destruction of chlorinated and nonchlorinated vents. Provision of services for the selection of undifferentiated urban waste, production of soil improver compost, production and recovery of FOS (biostabilized). Production of fertilizers from differentiated organic waste.

Provision of brokerage and waste management services for third parties. Design and execution of reclamation and removal of property containing asbestos. Design, construction and maintenance of landfills and thermal destruction, treatment and recovery plants.

IAF 24, 25, 26, 28, 39

Certificate issued in accordance with the Technical Regulation ACCREDIA RT-09

Original Cycle Start Date:	29-January-2004
Expiry date of previous cycle:	02-July-2024
Certification / Recertification Audit date:	24-June-2024
Certification/Recertification Cycle Start date:	24-June-2024
Subject to the continued satisfactory operation of the organization's Management System, this certificate expires on:	02-July-2027

Certificate No. IT333213
